

Parents/Carers Guidance and information for Children Attending Preschool from
Monday, 1st June 2020.

- Children will be unable to attend Preschool if they, or **anyone in their household** are displaying any symptoms of coronavirus. Read the [COVID-19: guidance for households with possible coronavirus infection](#)

The main symptoms are:

- **a high temperature** - this means you feel hot to touch on your chest or back
- **a new, continuous cough** - this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
- Only one Parent/Carer should drop off and collect their child from Preschool.
- Parents/Carers cannot gather at the main door or enter Preschool.
- Parents/Carers should endeavor to walk or cycle to and from Preschool where possible and avoid the use of public transport, especially at peak times.
- Parents/Carers **must** respect the social distancing measures in place outside Preschool and follow the one-way system in place, when dropping off and collecting their child.
- Parents/Carers **must** ensure that Preschool has the correct and most up-to-date contact details.
- Parents are encouraged to put a cool pack in their child's lunchbox as these will now be stored differently in Preschool.
- Parents are encouraged to administer sun cream to their child prior to them arriving at Preschool.
- As Preschool currently has sole use of the Hall, it is possible for you to leave your child's bag and coat at Preschool, should you wish to.
- During this term, Preschool will not be participating in Muddy Mondays or Wheels on the Bus Wednesdays or having visits from Music Bugs or James our Sports Coach. We will also unfortunately be unable to have our visits to Bishops Henderson School for the Preschool leavers.

For more information please read the [opening schools to education settings to more pupils from June 1st: guidance for parents and carers](#)

Should you have any concerns or queries, then please do not hesitate to email Preschool at admin@comeytroweunderfives.co.uk
